The Burnett Honors College offers over **\$135,000 annually** in scholarships. Scholarships are awarded in the fall, spring, and summer semesters to current Burnett Honors College students with outstanding qualifications. Scholarships are organized in 4 categories: Study Abroad and International Affairs, Undergraduate Research, Internship Support and Professional Development, and Academic Excellence and Leadership.

Scholarship applications are due in November for the spring semester and in March for the summer and fall semesters. Deadlines will be posted and advertised at the appropriate time.

Students will be considered for all scholarships in the category with one application and applicants will be selected for each individual award based on qualifications. Please visit the above link to see a full list of the specific scholarships offered under each category. Not all scholarships are offered every semester.

### **Eligibility:**

- **Students must be full-time BHC students in good standing for the semester for which they will be receiving funds. However, the full-time stipulation does not apply to the Study Abroad and International Affairs Category.**

### **APPLY FOR A SCHOLARSHIP BY SUBMITTING AN APPLICATION FOR ONE OF THESE CATEGORIES**

**Study Abroad and International Affairs:** This category is for students who will be studying abroad or will be completing an internship in the area of International Affairs.

Attach a statement of not more than 500 words addressing your motivation for choosing this program. How will this program impact your academic, personal and professional goals? Include a budget with your program costs, travel expenses, and tuition as well as any other scholarship income. Preference is given to students who have not previously studied abroad and who have financial need.

**Undergraduate Research:** This category supports high-achieving students who are participating in undergraduate research.

If you are involved in undergraduate research, please address how it will help further your research. Is the research part of a UCF laboratory, industry, Honors Undergraduate Thesis option, or individual project? Who is the faculty supervisor? Include a budget if supplies are needed, travel is required, or there are other expenses that need to be considered.

**Internship Support and Professional Development:** This category is for students who are participating in internships or other distinct opportunities in experiential learning and leadership. Some examples include but are not limited to, language immersion programs and independent projects.

Attach a one-to-two-page essay outlining your internship opportunity or your other ideas for projects or programs that lead to professional development. If appropriate, include a budget with program costs, travel expenses, living expenses, and tuition as well as any salary or other budget support such as additional scholarships.

**Academic Excellence and Leadership.** This category is intended to support and recognize outstanding Honors students who demonstrate strong academics and embody leadership qualities. Students applying to this category should exhibit academic excellence, creativity, and/or leadership skills. Recipients will be selected based on their academic record, leadership, community activities, and work experience.

Please submit a personal statement of not more than 500 words addressing how you meet the following criteria:

- Academic Excellence and Creativity
- Leadership Skills
- Please also address your future career/educational plans and how this scholarship will help you achieve them
