

# Honors Undergraduate Thesis (HUT) Liaisons 2022

Please locate the HUT Liaison for the department/campus/college in which you are completing a thesis.

The HUT Liaison is the point of connection between your thesis major/discipline's college/department/area campus and the Burnett Honors College. The HUT Liaison may answer questions about department-specific HUT requirements and **must** sign your Registration, Proposal Cover Page, & Thesis Approval Forms. Please use HelloSign to collect signatures electronically. For instructions, visit the HUT Webcourse.

Procuration: If the HUT Liaison is unavailable, we will accept signatures from the thesis major's Department Chair on the Liaison's behalf. When signing on someone else's behalf, the signature should be preceded by p.p.
