Academic Chairpersons Conference, February 3-5, 2016

Parallel plenary presentation: Career Trajectory- Aspiring Deans

ACE Institute for New Chief Academic Officers, December 2-3, 2015

Invitation to facilitate panel and small-group discussion with newly appointed CAOs

ACE Council of Fellows Weekend: Transforming Institutions, May 30-June 1, 2014

Invited Panel: Advice to Incoming ACE Fellows from Current and Former Fellows

Annapolis Group Meeting, June 16-18, 2014

Invited Panel: The Changing Character of Shared Governance: Advancing Conversations and Collaborations with Faculty

Leadership Experience: University of Central Florida

Dean of Burnett Honors College, 2018-

The Burnett Honors College (BHC) houses students from all majors and is one of thirteen colleges at the University of Central Florida. Enrollment in the BHC is approximately 2,200 students out of 68,000 students overall at UCF. Our upcoming class is 534 students, with an average SAT score of 1467, and an average weighted GPA of 4.4. BHC is committed to the vision of developing tomorrow's talent. BHC strengthens the educational experience by fostering an environment enriched by students' varied backgrounds, socio-economic statuses, perspectives, and abilities, which nourishes a larger societal dynamic of citizenship, public discourse, and civility across campus. BHC Scholars also bring distinction to the university by raising the academic profile, qualifying for prestigious national and international awards, securing admission to competitive graduate and professional programs, and charting their way to fulfilling careers. The BHC consistently ranks among the top public university honors colleges. The Dean of the BHC reports to the Vice President for Academic Affairs and Provost.

Accomplishments:

- KPI: Increase in 4-year graduation rate from 62% to 73%; increase in incoming class SAT from 1457 to 1467 (Fall 2018-Fall 2021 data)
- Advancement: Exceeded fundraising goals by over 700% in FY19-20, established a giving BHC Advisory Board.
- New programs developed and implemented: TALENT (internship and career placement), ORANGE (internships and grant writing opportunities in not for profits), WINGS (incentivize graduate coursework while undergraduate), 2UH (new admissions opportunity for current UCF students to BHC)
- New programming: [Match Day](#), Networking Events, LinkedIn Mentoring, Alumni, & Scholar groups
- Initiated and completed [Acclaimed Knights Wall](#) to recognize student recipients of major fellowships/awards
- Capital Improvements: refresh of Honors Reading Room, renovation to create group study space

- Development and implementation of brand marketing campaign: “Cultivating Talent. Inspiring Excellence”
- Collaborative development and implementation of five-year strategic plan: Cultivating Talent. Inspiring Excellence 2020-2025
- National collaboration: In March 2020, co-founded the Council on Honors Education- an affiliate group within APLU (Association of Public Land Grant Universities). The Council currently has over 100 participating honors deans. We held our inaugural meeting on Nov 8th. The goal is to bring C-Suite higher education leaders to the table to understand the impact of honors education to the student, university, and community.
- Prestigious Awards: A 40% increase in prestigious awards & scholarships awarded in last 5-year period.
- InSpire Scholars: Inspire Scholars Program collaborates with Elevation Scholars to expand our reach into some of the most socio-economically distressed communities in Orange County. As part of our partnership, in Fall 2020 we admitted our first cohort of BHC InSpire Scholars from Orange County’s Title I high schools.
- Alumni and Community Engagement: Alumni visits to Boston, Austin, Miami, Atlanta, Orlando; BHC Dean’s Business Leaders Luncheon in Orlando, Careers in STEM: Talent Development | The Evolving Global Economy (Fireside chat in Miami); Developing alumni engagement opportunities locally and virtually
- UCF Service: Search committees (Provost and VP for Equity, Inclusion, and Diversity); Co-Chair for various committees: Academic Polices and Retention, Constellation Fund, Scholarship Investment Working Group, and Enrollment Strategy Taskforce; member of Insights Taskforce, LEP Mentor, UCF Budget Redesign
- UCF Speaking Invitations: Academic Leadership Academy Panel, Leadership Empowerment Program Panel, Leadership Empowerment Conference, Alumni Board, National Merit Scholars Yield Dinner, OverKnight Florida High School Counselors

Leadership Experience: Austin College

Executive Vice-President of Academic Affairs and Special Initiatives & Dean of Faculty, 2017-2018

This position reports through the president to a board of trustees’ steering committee and is accountable for developing a sustainable financial model for the board’s consideration and for providing leadership for implementing the College-wide strategic growth plan and key initiatives.

Accomplishments (Select)

- [AC/Tech Connect](#): Austin College and Texas Tech University Health Sciences Center (TTUHSC) partnership to provide increased access to competitive programs in the allied health field.
- Curriculum Revision: Fostered and Supporting a faculty-led initiative to reconsider and revise the College’s core curriculum with targeted implementation date of Fall 2018
- Working in collaboration with faculty governance and Enrollment Management to develop a comprehensive transfer student program
- Data-informed decision making: Building a Data Warehouse to facilitate the use of data analytics in decision making

Vice-President of Academic Affairs and Dean of Faculty (2013-17)

Responsible for Office of Academic Affairs, Abell Library, Institutional Research, Registrar, and Information Technology- The VPAA and Dean is the leader of the institution’s academic enterprise, ensuring a coordinated and comprehensive approach to short and long-range visioning as well as implementation of sound policies and plans that impact all facets of the educational experience. As the institution’s chief academic officer and a member of the Senior Leadership Team, the VPAA provides direction and support to faculty and curricular endeavors, as well as to offices directly engaged with the academic mission. The VPAA and Dean represents

the academic program to both internal and external constituencies, including the board, and works with Institutional Advancement to help secure the resources needed to support the academic mission. The positions reporting to the VPAA and Dean include the three divisional deans for humanities, sciences, and social sciences, respectively; the College Librarian/Director, the Registrar/Director of Institutional Research, the Executive Director of Information Technology, an administrative assistant, an office coordinator, and the directors of Special Academic Programming, the Honors Program, the Center for Environmental Studies, the Center for Global Learning, the Center for Southwestern and Mexican Studies, the Robert & Joyce Johnson Center for Faculty Development and Excellence in Teaching, and the Posey Leadership Institute.

Accomplishments (Select)

Advancement and Alumni Relations

- Grants (Academic Affairs): Developed a collaborative relationship with the Director of Foundation Relations resulting in a 50% funding rate over four years
- Academic Affairs foundation grants and gifts supporting pedagogical innovations: (~\$5 million since fall 2103) Andrew W. Mellon Foundation to support [digital pedagogies](#); W. M. Keck Foundation to support leadership development in the sciences ([STAR](#)); [Executive-in-Residence](#) to introduce a practitioner's perspective into the business curriculum; NSF S-STEM grant to support [ACCESS](#) program which combines curricular and co-curricular activities to enhance student success in the sciences; [Lemuel Scarbrough Center for Writing](#) to support strengthened emphasis on writing; NSF- NOYCE grant to support Austin College Teacher Program; NSF – I-USE: Developing Science Leaders Through Applied Learning Experiences and Reflection; The Discovery Foundation: Undergraduate Research; NSF- Major Research Instrumentation Program (MRI)- MRI: Acquisition of an NMR Spectrometer for Undergraduate Research and Teaching at Austin College
- Alumni Engagement: Active and strategic engagement of alumni leading to increased participation over the prior three years (e.g. Advocacy program)
- Board Relations: Provide leadership of board of trustee committees resulting in 1:1 relationship building that translates into direct funding of academic programs (e.g. M.B. & Edna Zale Foundation of Dallas, Texas- Professor of Practice; CASO-Digitization and Electronic Document Workflow)
- Donor Relations: Cultivate individual donors and foundations, secure major gifts, and build relationships with alumni, parents, industry partners, community, and the region leading to significant gifts to the college (available upon request)
- Leadership and Capital gifts: Cultivated and helped secure two seven figure gifts, totaling \$11million

Academic and Curricular

- [Gateways](#): Offers AC students preferred access to graduate and professional programs- currently approximately 20 partner universities and over 100 programs
- [Advocacy Program](#): Completed Courtroom and started mock trial program (Donor funded)
- [CREATE@AC](#): Center for Research, Experiential, Artistic, and Transformative Education-Institutionalized faculty driven initiative to enhance high impact practices across the disciplines
- Curricular Innovation: Faculty driven and supported innovation of general education program, new majors and minors to respond to changing student demographics and demands; e.g. new majors in public health and global management
- Review of selected college wide programs facilitating discussions from design to implementation of recommended changes: Writing Center, Leadership Institute, Center for Global Learning, Study Abroad, Undergraduate Research, Austin College Teacher Program, and other faculty driven curriculum reviews

Faculty and Student

- Focus on Excellence and Access: Review of all academic policies, develop programs to attract new student markets, and partner with student affairs leading to increase in average freshman cohort retention to 84% (2013-15) from 81% (2010-12), 4-year graduation rate increased by 3% to 66% for 2012 cohort.

- Shared Governance: Created a comprehensive system of shared governance through changes in current practices and committee structures
- Faculty Hiring: Developed a budget neutral hiring plan to move away from dependence on visiting/adjuncts in core areas while hiring faculty to support new initiatives; New hires have been 40% from diverse backgrounds and 50% female; Increased overall faculty diversity from 8% to 20% in four years
- Faculty Development and Recognition: Led Faculty Compensation Study and addressed 98% of salary inversion between associate and assistant professors; implemented a comprehensive New Faculty Orientation; developed a process for supporting recognition of faculty excellence in teaching, resulting in [CASE Texas Professor of the Year 2015](#) and [Piper Professor Award](#) recipient in 2016
- Developed programs to enhance transparency and communication: e-mail campaign, faculty forums, regular meetings with student government, hosting faculty and staff combined events

College-wide

- Accreditation: SACS Liaison responsible for 2019 Reaffirmation; SACS Fifth Year Interim report approved; Guiding and supporting a faculty driven process for academic assessment
- Capital Project Management: Abell Library: Transformation to a Learning Commons, including GIS lab; Hopkins Hall: complete renovation and digital upgrade; Forster Art: Landscaping; Moody Building Complex
- Digitization: Implementation of enterprise level electronic workflow and scanning programs to increase transparency and accountability
- IT 2020: Full review of information technology resulting in improved customer service, efficiencies, and effective use of resources including an enterprise software implementation of document scanning and electronic workflow

Leadership Experience: The University of Texas at Dallas

University Administration

Dean of Undergraduate Education (2010-13)

Responsible for strategic planning, policies, procedures, and curriculum related to undergraduate education including recruitment, retention, persistence, and timely graduation; freshman admission decisions; academic excellence scholarships, undergraduate advising; pre-health and pre-law advising; core curriculum; undergraduate research; leadership experience; freshman seminar and academic components of first year experience; catalog; events including university and honors convocation; coordination of teaching excellence awards; community college relations; service on committees for the university, the UT System, and the Texas Higher Education Coordinating Board; represent the university at numerous internal and external events and forums; liaison for [CHEC](#) (multi-institutional teaching center) This includes responsibility for the SACS QEP. Responsible for fundraising for specific projects such as undergraduate research journal and experience.

Managed a staff of 46, 148 student workers, and 178 student volunteers with a budget of over \$40 million (including merit based scholarships) **Supervised** Student Success Center (formerly GEMS) (7/2011) - academic learning support center which includes peer-led-team-learning, supplemental instruction, tutoring, writing & math centers, and testing lab.

Accomplishments (Select) of the [OUE](#) (Office of Undergraduate Education) Team (resulting from student, faculty, and staff collaborative efforts)

- Development and implementation of strategic plan; creation of a broad student advisory committee; streamlining of policies and procedures; evaluation of business practices
- Implementation of student-led initiatives such as Art in the Halls, [Comet Cupboard](#) (UTD food pantry) and social media
- New initiatives (developed and implemented): Summer reading program, No Appointment Needed, e-forms as green alternative, [Certificate in Critical Communications](#), [Dine with the Deans](#), mentoring program, [SOAR](#) (Student Outreach and Academic Retention) Center for at-risk students, [Freshman](#)

[Mentoring Program](#), [The Exley](#)- undergraduate research journal, [Mary McDermott Cook Outstanding Student Award](#), [Undergraduate Alumni Achievement Award](#), [Undergraduate Research Match Day](#), and [Provost's Award for Faculty Excellence in Undergraduate Research Mentoring](#)

- Secured external funding for [The Exley](#): undergraduate research journal (combination of annual giving and estate gift)
- Redesigned programs such as freshman seminar, first year academic theme & programming, university convocation, honors convocation, Advisor of the Year awards, summer undergraduate research experiences, and first year leaders to support transition to residential campus
- Implemented a comprehensive [Student Success Center](#) to support retention and persistence goals
- Creation of cross-campus retention working group to focus on retention, persistence, and timely graduation with an emphasis on collaborative programs and outcomes
- Admission and retention data: retention increased from 83% to 89% from FY10 to FY12 class; diversity increased by 10% from FY11 to FY 13; National Merit Scholars increased for the fall 2012 class and continues to increase; persistence among Academic Excellence Scholars increased; Four-year graduation rates increased from 45% to 50.6% for FY12
- Creation of a positive, collegial, and collaborative environment in which a diverse staff of all ranks, as defined by gender, age, ethnicity, race, socio-economic, and orientation, work together

Interim Dean of Libraries (2010)

Responsible for McDermott and Callier Libraries that employ over 65 librarians and support staff with a budget of more than \$7.0 million

Accomplishments (Select): Special collections- increased visibility inside and outside of university, including a high profile public symposium carried live on C-SPAN; Remodeled and created more student-friendly spaces, upgraded security features of the library- exit door alarms, parking options for late night staff, initiated evening guard program, and new security for outside doors; creation of group study rooms, beautification of library grounds and building, opening of food kiosk in basement; upgraded instruction rooms, implemented language software database, and negotiated new cleaning and climate control schedules;

Associate Provost (2008–10)

Responsible for university scholarships, student grievances that reach the Provost's Office, community college relationships, involvement in the budget process, graduate student recruitment, the Collin Higher Education Center (CHEC) project; and other related duties

Accomplishments (Select): Led a team that involved all major stakeholders to implement a simpler more robust (LEAN) scholarship awarding process; worked collaboratively with other regional four-year universities to establish the CHEC and offer UT Dallas degree programs

Associate Provost for Enrollment Services (2006-08) - Chief Enrollment Officer

Responsible for all university recruiting and admissions processing: supervised a staff of approximately 70 and an unrestricted budget of more than \$3.0 million

General Overview of Enrollment Gains and Successes

- Comet Connection: Designed, created, and implemented first and only state-wide four-year two-year partnership agreement (Signed by all private and public two-year colleges in Texas)
- Revamped, redefined, and recreated the entire recruitment process to project a more holistic image of UT Dallas while targeting key enrollment metrics
- Increased number of National Merit finalists in freshman class by 150% from 2006 to 2008
- Increased average SAT of incoming freshman class by 11 points

- Reduced application processing time and improved accuracy through the implementation of new business practices and processes
- Consistently increased enrollment yields at undergraduate and graduate levels

Recruiting

- Developed a new recruiting strategy utilizing a targeted approach. We developed an integrated strategic plan with timelines to direct prospective students through the application process to become an admitted and, finally, an enrolled student
- Created all new brochures and designs to portray UT Dallas in a way that was consistent and supportive of the president's strategic plan
- Redefined and expanded all our recruiting events to include all components of the university
- Combined freshman and transfer recruiting to create a more unified image of the university
- Created and implemented the Comet Connection- a program designed to move students seamlessly into a four-year university from the community college
- Expanded outreach programs to reach a more diverse student body
- Implemented a transfer scholarship program that was both a recruitment and financial aid program
- Improved customer service by redefining the role of the welcome center
- Designed and implemented a recruitment communication strategy
- Implemented a Client Relationship Management (CRM) system

Processing and admissions

- Aligned the internal practices of admissions to peer and aspirant peer institutions
- Streamlined processes and worked with the various schools to create procedures that are simple, functional, and efficient as UT Dallas moved into an enrollment growth phase
- Designed and implemented an electronic application processing system
- Implemented imaging and document management system (OnBase)
- Implemented electronic application fee processing software (VeriSign)
- Cooperative relationship building with the graduate faculty to revamp application processing

School Administration

Program Head for Public Policy and Political Economy (2009-10)

Responsible for doctoral admissions, funding, advising, curriculum development, scheduling, faculty evaluations, budget, and strategic planning; annual faculty evaluations; supervision of administrative assistant, faculty, and program budget. Programs in BA in Sociology, BA & BS in International Political Economy, MS in Applied Sociology, MS in International Political Economy, Masters in Public Policy, and PhD in Public Policy and Political Economy with 20 faculty and 12.5% of undergraduates, 19% of graduate students, and 15% of all students in EPPS

Accomplishments (Select): Streamlined processes for admissions, advising, and recruitment; created student feedback loop; program development; revised marketing materials and web content. Developed and implemented a small grants program for doctoral students adopted by the university

Associate Dean for Undergraduate Education in EPPS (2002-05)

Responsible for undergraduate education for the school's six programs: criminology, economics, geography, political science, public administration, and sociology related to university policies and internal to the school. Supervised three advisors, internship/public relations director and a secretary and managed the budget

Accomplishments (Select)

- Increased undergraduate enrollment in the school of economic, political, and policy sciences 58% from fall 2002 to fall 2004, 54% from spring 2003 to spring 2004
- Received a grant from the Ewing Marion Kauffman Foundation of Kansas City to develop a program in social entrepreneurship
- Designed, created, and implemented a marketing plan and image (Join us as we shape the future)
- Created the chartered financial analysis® track, designed with the association for investment management research®, within the economics degree to develop a niche for the program. The CFA® track is the prototype for other universities and was one of the first in Texas
- Collaborated on university wide policies to alleviate growing pains: a new policy on rolling registration and drop policy to manage registration and advising
- Expanded community and business relations to increase the visibility of the school through the creation of a professional development office
- Instituted new programs and policies such as case management in the office of undergraduate advising to create a more student service-oriented system, to increase the effectiveness of advising, and to improve student retention

Program Head for Economics and Finance (2000-02)

Responsible for all aspects of undergraduate education in economics served as Internship director- advised and supervised students, maintained company relationships, and developed and processed all paperwork, Faculty advisor for ODE (economics honor society), and Faculty advisor for the economics& finance student club

Accomplishments (Select) Developed external relationships with companies to acquire internship positions and implemented the charter financial analyst track within the undergraduate degree.
