

BURNETT HONORS COLLEGE

UNIVERSITY OF CENTRAL FLORIDA

2024 Inspire Scholar Take Stock in Children Application

Dear Inspire Scholar Applicant,

The Inspire Scholarship provides a 4-year Florida Prepaid tuition and residence hall housing award. The Florida Prepaid package, along with Bright Futures, will allow students to cover the full cost of attendance at UCF, including tuition/fees, housing, meal plan, and books. In addition, Inspire Scholars receive up to \$5,000 to use for co-curricular and professional development opportunities such as study abroad, undergraduate research, and internships.

Inspire Scholars join the Burnett Honors College as first-time in college (FTIC) freshmen, and benefit from Honors classes and Honors resources. University Honors is a four-year program designed to offer a small college experience within a large research university. The Inspire Scholar program also builds a special community and provides additional mentoring and advising. To continue in the University Honors program, Inspire Scholars must remain in good standing with Honors (requirements can be found online at <https://honors.ucf.edu/university-honors-advising/requirements/>).

We look forward to meeting you and hope to welcome you into the Burnett Honors College family soon!

Sincerely,

Sheila Amin, Ph.D.
Dean, Burnett Honors College

CO-CURRICULAR INVOLVEMENT

On a separate sheet of paper, please list and describe, in descending order of importance, no more than 10 co-curricular activities (academic and/or volunteer organizations, clubs, sports, employment, hobbies, etc.) that you have participated in and significant awards that you have received. Include the hours per month and the length of involvement. Choose those activities that show leadership or academic capabilities, and make sure to include all offices held. PERSONAL STATEMENT

Please answer one of these two questions:

- A) The writer Pearl Buck once said: "One faces the future with one's past." What in your life and your background has made you who you are today?
- B) Dwight D. Eisenhower once said: "A sense of humor is part of the art of leadership, of getting along with people, of getting things done." Humor can be used to make points, create rapport, and build goodwill. The true masters of the quip, joke, and anecdote are also willing to turn their humor on themselves if required. Write about a time when you or someone else around you used humor to diffuse tension, avoid a bad situation, or "get things done."

You should be creative with your answer; you can tell us about your dreams, yourself, your family, your school, your pet, or anything else that you think will allow us to know you better.
