

Honors Undergraduate Thesis (HUT) Liaisons

Please locate the HUT Liaison for the department/campus/college in which you are completing a thesis.

The HUT Liaison is the point of connection between your **thesis** major/discipline's college/department/area campus and the Burnett Honors College. The HUT Liaison may answer questions about department-specific HUT requirements and must sign your Registration, Proposal Cover Page, & Thesis Approval Forms. Please use DropboxSign to collect signatures electronically. For instructions, visit the HUT acceptance email or webcourse.

Procuration: If the HUT Liaison is unavailable, we will accept signatures from the **thesis major's** Department Chair on the Liaison's behalf. When signing someone else's behalf, the signature should be preceded by p.p.

Department/ School	Department/School	Liaison Name	Liaison Email
